

WAYS & MEANS COMMITTEE

MISSION STATEMENT

'The 8782 Ways and Means Committee is a voluntary group of Members like yourself, who have taken it upon themselves to establish a Committee dedicated to try to raise funds through the organization of and co-ordination of events, functions, raffles, etc..., for the sole purpose of trying to assist the 8782 Membership, their families and our retirees, who may unfortunately find themselves with "Special Needs" and whose circumstance and/or situation which has arisen find that there is no way for Local 8782 (formally) as an organization to assist such member or cause.

'Therefore, collectively we have decided to take this task upon ourselves and try as much as possible to raise funds for just these circumstances.

We are strictly a volunteer group and all work performed will be on each Committee Members own time at no cost to the Local.
